

General Terms and Conditions of Use

Last updated: July 2026

Welcome to **tribology-software.com** (hereinafter "the Platform").

1. Purpose of the Platform

The Platform is a collaborative catalog designed to list, categorize, and showcase calculation software, research laboratories, and professionals in the field of tribology. The Platform does not sell, publish, or guarantee any software or services listed.

2. Intellectual Property

- **Platform Content:** All design, text, graphics, and interface structures of the Platform are the exclusive property of the Platform owner.
- **Third-Party Content:** Software names, logos, descriptions, images, biography details, and external contact links displayed on the Platform belong to their respective authors or owners.

3. Liability and Third-Party Content

- **Exclusion of Liability for Contributor Content:** The Platform acts strictly as a passive directory. We do not verify, endorse, or guarantee the accuracy, legitimacy, or safety of any information provided by contributors (including software descriptions, professional bios, email addresses, or LinkedIn profiles).
- **Interaction with Third Parties:** Any contact, professional relationship, or transaction initiated between a visitor and a contributor (via email, LinkedIn, or external links) is strictly between those parties. The Platform declines all liability for any fraudulent behavior, misrepresentation, or damages resulting from interactions with contributors or their listed software.
- **External Links:** The Platform provides links to external websites and computation services (such as *Uniwarecity* applications). The Platform has no control over these external sites and declines all liability regarding their availability, content, or the results of any calculations performed on them.

4. Global Disclaimer of Warranties

The Platform is provided on an "**as is**" and "**as available**" basis. To the fullest extent permitted by law, the Platform owner excludes all liability towards visitors for any direct, indirect, incidental, or consequential damages arising from the use of, or the inability to use, the website or its content.

5. Modification of Services

The Platform is in constant evolution. We reserve the right to modify, suspend, or discontinue any part of the website or catalog at any time, without prior notice.

6. Privacy and Data Protection (RGPD)

The Platform respects your privacy. Navigation on the website is anonymous. Any personal data collected via the contact form is processed strictly to handle your inquiry and will never be shared with third parties without your explicit consent.

7. Governing Law

These terms are governed by and construed in accordance with the laws of France. Any disputes arising out of the use of this Platform shall be subject to the exclusive jurisdiction of the French courts.
